3. BUYER ACKNOWLEDGMENTS

3.1 General Acknowledgements

The Buyer acknowledges and agrees that:

- (a) the Buyer has read and understood the Contract including all Annexures, schedules and appendices;
- (b) the Buyer has sought independent legal advice with respect to his/her individual rights and obligations pursuant to the Contract or has had the opportunity to do so and chosen not to on the basis that the Buyer has fully understood and comprehended those rights and obligations;
- (c) the Seller may assign all or any of its rights under the Contract to a third party at any time;
- (d) the Seller provides no representation or warranty that the location of any survey pegs is correct and is under no obligation to maintain any survey pegs;
- (e) all materials provided to the Buyer by the Seller or its agents (including advertising, sales brochures and plans) have been prepared and provided in good faith and are believed to be, and taken as, correct. No error, omission or mis-description of the Land will void or annul the sale of the Land or give rise to any claim or right of action against the Seller; and
- (f) the Buyer has entered into the Contract in reliance solely upon its own examination, inspection, enquiries, opinions and advices received and not upon any statement, warranty or representation whatsoever made by or on behalf of the Seller or the Seller Agent and notwithstanding the contents of any brochure, document, letter or publication made, prepared or published by or on behalf of the Seller or the Seller Agent including, but not limited to, any artists' impressions.

3.2 Subdivision Acknowledgments

The Buyer acknowledges and agrees that:

- (a) the Buyer is purchasing land that is part of a Subdivision that is yet to receive final Approval from the relevant Authorities and be the subject of a final survey;
- (b) an Authority may require the Land to be encumbered by an easement, restrictive covenant, memorial, interest, notification or other encumbrance as a condition to an approval to the Subdivision;
- (c) the Land may contain or utilise shared services/infrastructure such as drainage pits. Those properties utilising any shared services/infrastructure shall have unfettered access to these services/infrastructure.

- (d) following final Approvals and survey, the Land may vary in respect of:
 - i. its lot or street number/name;
 - ii. its boundaries (including location and angle) and accordingly its dimensions, size and area;
 - iii. its ground level (height, gradient or otherwise);
 - iv. the provision or position of any retaining walls;
 - v. the provision or location of any services, utilities or the like to or affecting the Land; and/or
 - vi. its encumbrances;
- (e) it is the intention of the Seller, although it is under no obligation, to register the Seller's Restrictive Covenants over all or some of the Lots to be created upon Subdivision to maintain and enhance the standard and visual amenity of the Subdivision;
- (f) whilst the Seller and the Seller Agent may give the Buyer estimated dates for the issue of a separate Certificate of Title for the Land, this is only an estimate and is subject to change. If there is any delay in obtaining a separate Certificate of Title for the Land, the Seller shall not be responsible to compensate the Buyer for any additional costs or expenses of whatsoever nature, including those relating to any price increases pursuant to any building contract entered into by the Buyer, which is caused, whether directly or indirectly, by any such delay in obtaining the separate Certificate of Title; and
- (g) the completion of the physical development and construction of the Land as a separate lot is not a requirement for the separate Certificate of Title to be issued. Therefore, the Land may still be under development and construction before or after the Settlement Date. The Buyer may not terminate the Contract, delay Settlement or seek any compensation from the Seller if the physical development and construction of the Land as a separate lot has not been fully completed at the time of issue of a separate Certificate of Title.

4 LOCAL DEVELOPMENT PLAN

- (a) This clause applies to a Buyer of Lots 858, 873, 874, 875, 876, 877, 962, 963, 964 and/or 965, only (**LDP Affected Lot**).
- (b) The Buyer acknowledges and agrees that:

 - ii. the Buyer must comply with the LDP when developing a LDP Affected Lot;
 - iii. compliance with the requirements of the LDP may affect, amongst other things, the construction costs of the Buyer's chosen home design and the positioning of the home on the Land; and
 - iv. the Buyer has been provided with a copy of the LDP before entering into this Contract and has familiarised and satisfied itself with the requirements set out therein.

5 FIRE MANAGEMENT

5.1 Fire Management Plan

- (b) The FMP has assessed that dwellings on certain lots in Ravenswood Green must be constructed to increased construction standards and/or be subject to mandatory setback requirements in accordance with *Australian Standard 3959 Construction of Buildings in Bushfire-Prone Areas (AS 3935)* in order to afford those dwellings additional fire protection and to ensure the safety of future residents;

- (c) the requirements of the FMP may increase the construction costs and/or the design of the Buyer's chosen home; and
- (d) the Buyer has been provided with a copy of the FMP before entering into this Contract and has familiarised and satisfied itself with the requirements set out therein.

5.2 DFES Map of Bushfire Prone Areas

The Buyer acknowledges and agrees that:

- (a) the State Government has prepared a state wide map (updated annually) - the Map of Bush Fire Prone Areas - identifying land in Western Australia that is potentially subject to bushfire risk due to its proximity to 'bush fire prone' vegetation (**Map**);
- (b) as at July 2016, the majority of Ravenswood Green was identified in the Map as being in a bush fire prone area;
- (c) should the Lot or part of the Lot be designated by the Map as being in a bushfire prone area at the time the Buyer seeks to develop the Lot, the Buyer will need to undertake (at his/her cost) a Bushfire Attack Level (**BAL**) Assessment and design and construct any proposed dwelling on the Lot to the specified construction requirements of the BAL Assessment as set out in AS 3959, which may increase the Buyer's costs of developing the Lot and/or impact the Buyer's home design;
- (d) The BAL Assessment in the FMP is current as at the time it was prepared (April 2015) and a later BAL Assessment may differ from the assessment in the FMP; and
- (e) the Seller makes no warranty, representation or guarantee that the BAL Assessment in the FMP will be the same as any BAL Assessment undertaken at the time the Buyer develops the Lot.

 - vii. any other rights, interests, limitations, notifications and encumbrances required to give effect to the terms and conditions of the Contract.

 - *'This lot is in close proximity to known mosquito breeding areas. The predominant mosquito species is known to carry Ross River virus and other diseases'* (Notification)

6.2 Seller's Restrictive Covenants

- (a) The Buyer acknowledges and agrees that:
 - i. restrictive covenants substantially in or to the effect of the terms of the Seller's Restrictive Covenants will burden the Land and will be registered and recorded as a limitation, interest, encumbrance or notification on the Certificate of Title for the Land; and
 - ii. the Buyer (and the Buyer's assigns, transferees and successors in title to the Land) must observe and perform the Seller's Restrictive Covenants.
- (b) The Seller may amend (or cause to be amended) any of the Seller's Restrictive Covenants to maintain and enhance the standard and visual amenity of the Subdivision or to the extent required by any relevant Authority.
- (c) Where the Seller (in its absolute discretion) considers appropriate, additional or different restrictive covenants may apply to some Lots comprised in the Subdivision (other than the Land) and some of the Seller's Restrictive Covenants may not apply to some Lots comprised in the Subdivision.
- (d) The Seller's Restrictive Covenants may be created (at the Seller's election) by:
 - i. the Seller lodging at Landgate a Deed of Restrictive Covenant containing the Seller's Restrictive Covenants in respect of Lots the subject of the Subdivision Plan for the Subdivision, pursuant to the Transfer of Land Act; and/or
 - ii. the inclusion of the Seller's Restrictive Covenants on the form of the Transfer and registering the Transfer at Landgate after Settlement.
- (e) If the Subdivision is carried out in stages and by registration of a number of plans or diagrams of subdivision, the Seller's Restrictive Covenants may be registered in respect of Lots by separate Deeds of Restrictive Covenants or on transfers of land as contemplated by clause 6.2(d) and the Seller's Restrictive Covenants will apply to and benefit the lots the subject of an individual plan or diagram of subdivision and may also benefit lots the subject of other plans or diagrams of subdivision.
- (f) The Seller's Restrictive Covenants will bind the Buyer, run with the Land, bind the Buyer's assigns, transferees and successors in title and may benefit the proprietors from time to time of all or some of the Lots that were formerly comprised in the Subdivision Land.
- (g) The Buyer will take title to the Land subject to the Seller's Restrictive Covenants and to this clause 6.2. The Buyer must execute all documents and (at the Buyer's expense) do all things required by the Seller to give effect to this clause 6.2.

7. VARIATIONS TO SUBDIVISION

7.1 Staging

The Buyer acknowledges and agrees that the Subdivision and release of the resulting lots may occur in one or more stages, separately or concurrently, in the Seller's absolute discretion. The Seller makes no representations as to whether any stage will be undertaken and if undertaken the timing and final number and size of lots. The Seller retains absolute control over determining the timing and make up of any stage of the Subdivision.

7.2 Variations

The Seller may make any change to the Subdivision (including but not limited to the dimensions of the Land):

- (a) where required by any condition imposed by an Authority;
- (b) in accordance with any recommendation of the Seller's planners, surveyors, environmental consultants, engineers or the like and not materially adversely affecting the Buyer's reasonable use and enjoyment of the Land;
- (c) due to matters that arise which the Seller could not have reasonably foreseen; or

(d) where the Seller in good faith believes the changes will enhance the Subdivision.

8. CLAIMS FOR ENCUMBRANCES OR VARIATIONS

8.1 Limitation on Objections

- (a) The Buyer shall make no objection, requisition or claim for compensation nor have any right to terminate the Contract or attempt to delay settlement by virtue of any matter referred to in clauses 3, 6 or 7, provided that such matters have not resulted in a reduction of the size of the Land (as compared to that shown in Annexure D - Lot Plan) by greater than three percent (3%) or materially prejudiced the reasonable use of the Land. Should the Land's size be reduced by greater than three percent (3%) or its reasonable use be materially prejudiced due to such matters, the Buyer may at any time within fourteen (14) days of becoming aware of the matter, by notice in writing, terminate the Contract.
- (b) The Buyer may not terminate this Contract under this clause by reason only of material prejudice unless the Buyer provides to the Seller (as part of the required written notice) an explanation to the Seller's reasonable satisfaction as to why the Buyer considers that the Buyer is materially prejudiced by the relevant matters.
- (c) If the Buyer fails to give notice to the Seller in accordance with this clause 8.1, the Buyer loses any right to claim compensation or terminate the Contract (both pursuant to the Contract and at general law).

Should the size of the Land (as compared to that shown in Annexure D - Lot Plan) be increased by greater than three percent (3%), the Seller may, by notice in writing to the Buyer, inform the Buyer of its intention to increase the Purchase Price by the same percentage that the Land's size has increased. The Buyer may within fourteen (14) days of receiving such notice, by notice in writing, agree to or reject the increase in the Purchase Price. Should the Buyer fail to agree to the increase in the Purchase Price the Seller may, at any time thereafter by notice in writing to the Buyer, terminate the Contract.

The Seller will use reasonable endeavours to notify the Buyer, within a reasonable time of it becoming aware, of any matter referred to in clauses 3, 6 or 7 that is not disclosed in the Contract.

8.4 Settlement is Waiver

Settlement constitutes a full waiver of any right, action or claim whatsoever that a Party may have due to any matter referred to in clauses 3, 6, 7 or 8.

9. CAVEAT

- (a) The Buyer must not, before the issue of a separate Certificate of Title for the Land, lodge any caveat against all or any part of the Subdivision Land whether to give notice of the Buyer's interest under the Contract or otherwise. If the Buyer lodges any such caveat, the Buyer (in consideration for the Seller entering into this Contract) irrevocably and unconditionally:
 - i. appoints the Seller and each of its directors, agents and employees jointly and severally as the Buyer's attorney to (at the Buyer's cost) take all such actions and execute all such documents in the Buyer's name as the Seller, acting reasonably, considers necessary to withdraw and/or remove the caveat (including but not limited to lodging any applications or forms at Landgate);
 - ii. indemnifies the Seller and must keep the Seller indemnified against all costs, expenses and loss that the Seller may suffer as a result of such caveat, the Seller taking any action to withdraw and/or remove the caveat and any delay the caveat may cause in the completion of the Subdivision and sale and settlement of the resulting lots;
 - iii. ratifies and confirms all things whatsoever done under this power of attorney; and
 - iv. agrees to, within fourteen (14) days of receiving a written demand from the Seller, execute a power of attorney in registrable form to give effect to this clause 9(a).

- (b) Any person (including Landgate, the Registrar of Titles of Western Australia and any other registration authority in Australia or elsewhere) dealing with the attorney or a person purporting to be an attorney under clause 9(a) is entitled to rely on execution of any document by that person as conclusive evidence that:

- (b) Clause 1.9 of the Conditions to the Offer and Acceptance is amended by deleting the definition of “**Non Approval Notice**” and inserting the following definition in lieu thereof:
 “**Non Approval Notice** means:
 - (a) a Notice in writing given by the Lender to the Seller, or Seller Agent to the effect that the Finance Application has been rejected or Finance Approval has not been obtained; or

- (b) The Buyer must make and rely on his/her own enquiries concerning the Property and all conditions relating to the Property. - (b) a business operating from the Land.

The Seller may, without notice, remove any sign hoarding or advertising that breaches this clause 14.

15. SOIL CLASSIFICATION

The Buyer is aware that the soil classification relating to the Land may affect the extent and costs of site works and footings for residences to be constructed on the Land. - (e) **Changing Regulatory Events and Provision of Infrastructure by Utility Providers:** changing laws, regulations and policies of any relevant Authority and policy changes by utility providers may affect the services to be provided to the Land. The Buyer will have no claim or other rights against the Seller as a consequence of the kinds of changes described in this clause.

If after the apportionment there is any balance due to the Buyer then the Parties irrevocably direct the Seller's Settlement Agent to pay that balance to the Buyer as soon as is practicable.
