Highland Ridge Private Estate offers a truly breath-taking piece of rural heaven. Because the estate is set high upon an escarpment in Perth's foothills, residents will experience uninterrupted views of the city. Each of the 13 lots is set on a two-and-a-half-acre piece of land, which in turn is set against the rugged and untamed beauty of the Darling Range and John Forrest National Park. Each spacious lot has perimeter fencing with a front gate, underground power, a driveway entrance, and scheme water. The lots are also partially cleared with retained bushland and defined building envelopes. This is exactly why the estate is in close proximity to many shops and amenities. There are also schools and restaurants not too far away, ensuring that you have access to the best of both worlds. All blocks serviced with underground power, scheme water, NBN, gas, includes rural fences to side & rear boundaries & crossovers to front verge. Titles available now!!!
